

Larsen Lane Widening Construction Update July 29, 2020

Harrisville City Mayor Michelle Tait officially re-opened the roadway to traffic on Monday, July 27.

Finish work activities will continue for the next few weeks.

Finish Work

- Landscaping throughout the corridor.
- Concrete work.
- Pedestrian ramp updates to comply with ADA standards.

Larsen Lane is still an active construction site. Please use caution and be aware of workers and equipment in work zone areas.

**Construction schedules are weather dependent and subject to change*

In the News

The Standard Examiner reported on the opening of Larsen Lane. Click below to read the article!

Project Overview

Harrisville City is reconstructing and widening Larsen Lane. Improvements will extend the life of the roadway and promote safe mobility. Daily construction activity is anticipated through August 2020.

Project Improvements:

- Rebuilding pavement to extend the life of the roadway
- Installing drainage and updating utilities
- Widening shoulders and adding bike lanes
- Adding a center turn lane with median at the eastern intersection
- Updating pedestrian ramps
- Installing new sidewalks, curb and gutters
- Replacing signs and re-striping the roadway

What to Expect:

- Noise, dust, and vibration from work activities
- Pedestrian access is restricted
- Daily construction Monday-Saturday, 7 a.m. to 5:30 p.m.
